

## A FOUNDATION FOR LIVING

Wednesday, March 18th, 2020

Dear Friends and Supporters of the Last Chance House,

After taking in all considerations, we, the Board of Directors of the Last Chance House, feel it is in the best interest of all attendees of our upcoming banquet on April 4th, 2020, to postpone this event. This decision is made with respect to all guests, especially those that might be at a higher risk to the Coronavirus (COVID-19). A reschedule date has not been set as of this time. We will communicate using our website, Facebook page, and our fellowship to announce the future date of the banquet. Thank you for your patience, love, and support shown for this event over the years. The Last Chance House Banquet has always been, and will continue to be, an evening that showcases recovery and the presence of God in our lives.

For those who have purchased tickets or table sponsorship, please let me know if you would like an immediate refund. If you prefer, we can hold your ticket and/ or sponsorship until the rescheduled date.

If you have any questions or concerns, please feel free to reach out to me directly.

Be safe & God bless,

John D. Danley
